## EDUCATION & ACHIEVEMENTS

---

- ❖ **Vietnam National University Ho Chi Minh City, University of Information Technology** 2014 - 2019  
*Major: Computer Engineering*

## WORK EXPERIENCE

---

- ❖ **Global CyberSoft** July 2018 - January 2019  
*Deep learning service platform*
  - My position: Developer
  - My responsibilities: Analysis and design, Development, Review code, Unit test, Optimize code, Bug Fixing
  - Technologies used: C/C++, linux systemd, window service, Multi thread, Asynchronous IO, IPC
- ❖ **Global CyberSoft** February 2019 - July 2019  
*MFP-HiEng*
  - My position: Developer
  - My responsibilities: Design, Development, Review code, UT/CT, Bug Fixing, Write Documentation
  - Technologies used: C/C++, HTML/CSS/JAVASCRIPT

## RESEARCH EXPERIENCE

---

- ❖ **Robot Pick Up Tennis, University of Information Technology** August 2018 - January 2019  
*Graduation thesis*
  - Designed and created Robots to pick tennis balls
  - Research and Programming for STM32F4 kit to control the motor by PID
  - Research and Programming for Raspberry 3 to process images
  - Create an Android application to monitor and control the Robot
- ❖ **The RFID reader uses the STM32F4 kit, University of Information Technology** Mar 2018 - June 2018  
*Group Projects*
  - Study the SPI communication method.
  - Research and Programming for STM32F4 read/write data to the module RFID RC552 by the method SPI.
  - Research and Programming for STM32F4 read/write data to the module ESP8266 by the method UART.
  - Programming interface C # on PC.
  - Study the AT commands on Module Wifi ESP8266.
- ❖ **JAVA project: Library Management, University of Information Technology** June 2017 - Octe2018  
*Group Projects*
  - Design interface library management software.
  - Programmatically stores events for transmission to SQL.

## FREELANCER

---

- ❖ **Vhealth Project** March 2016 - Present  
*Team work*
  - My position: Developer
  - My responsibilities: Design, Development, Review code, Test, Bug Fixing
  - Technologies used: Flutter, mySQL, firebase

## SKILLS

---

C/C++	Language
Java/Android/Flutter	Language
Html/css/javascrpt	Language
Golang	Basic Languge
Mercurial/Git/Svn	Tool

## SOFTWARE

---

Linux / Windows

---

GDB Debug

---

Visual Code/Visual Studio/Sublime Text

---

Android Studio /NetBean/Eclipse

---

Keil C
